## How it works

Health Reimagined contracts Health and other Professionals to provide services to our clients. The Professionals invest as an Individual Member of Health Reimagined each year as well as investing a small percentage of the service fee. In return for the investment, the following services/benefits are provided by Health Reimagined for the WAHA Member. Becoming a member of WAHA provides an additional opportunity to drive business to your business.

### Benefits to the WAHA Member:

- Administration services – bookings, invoicing, account management
- Business Development services - sales calls, client account management and retention
- Marketing - all marketing materials and distribution in order to attain business for WAHA
- Individual Membership of Health Reimagined

### Benefits to the Clients:

- Centralised booking for all Allied Health Services
- One invoice per month for services provided by all Allied Health providers
- Set fees for all services

### Individual Member benefits:

- Invitations to networking opportunities
- Invitations to all professional education breakfasts and evenings
- Health Reimagined Bulletins
